Analysis Date:	2026-09-18 12:27:17	Language:	EN
Scam Category:	Prize / Lottery Scam	Assigned Risk:	HIGH RISK — FRAUD / SCAM DETECTED

1. Submitted Communication Message

"Congratulations! You have won ₹50,000 in Tata Lottery. Pay ₹499 processing fee immediately to claim. Click <http://tata-lottery-claim.xyz/reward>"

2. AI Risk Prediction & Detailed Explanation

Urgent lottery prize demand requiring upfront fee.

3. What We Detect (Threat Pattern Analysis)

- Urgent deadline or fear/pressure tactics to bypass critical thinking.
- Requests for upfront money, processing fees, or confidential banking/OTP credentials.
- Impersonation of trusted institutions, government bodies, or financial authorities.

4. Suspicious Indicators Detected

- Unexpected prize claim
- Upfront payment request
- Creates urgency
- Suspicious TLD (.xyz)

5. URL & Link Safety Analysis

Detected URL: <http://tata-lottery-claim.xyz/reward>

- Uses HTTP instead of HTTPS
- Suspicious TLD .xyz
- Look-alike brand domain

6. Safety Recommendations

- ✓ Do not pay the ₹499 fee.
- ✓ Do not click the link.
- ✓ Do not disclose bank details.
- ✓ Report Tata lottery impersonation to Tata Cyber Cell.

7. Immediate Actionable Next Steps

Step 1: Preserve screenshot

Step 2: Block sender

Step 3: File complaint on cybercrime.gov.in
